**Paso Robles Housing Authority Celebrates Grand Opening Of
New Senior Housing Project**

We were honored to join in celebrating the grand opening and ribbon cutting of River Walk Terrace!

This beautiful new development is more than just housing—it's a thoughtfully designed, safe, and accessible haven for seniors in our community.

A heartfelt congratulations to the Paso Robles Housing Authority for bringing this meaningful project to life. We're excited to see the continued impact it will have and look forward to what's ahead!
